

Alku

Universal table with cross base

Design — Iiro Viljanen

The universal Alku table with a cross base has a clean-cut and clear design just like the whole product family. The Alku table with its three different heights works perfectly in various spaces in the modern working and school environments, whether it is a lobby or a dining area.

MATERIAL DESCRIPTION:

Table tops: conforming with E0,5 requirements, the table top is made of particle board with a white laminate coating or veneer in oak, ash and stained ash.

Base: epoxy lacquered steel in white, black or in Inspiring Colours.
