

Catchbag & Tetrabag

Bean bag

Design — Iiro Viljanen

Catchbag and Tetrabag are compact beanbags for learning and working environments. The design of the beanbags enables them to stay in shape and in a comfortable sitting position. The upholstery fabric of the chair is very durable and easy to clean. The top and separate inner bag both have a zip.

MATERIAL DESCRIPTION:

Upholstered with easy-to-clean fabric called Soft.

A removable cover and a separate inner bag filled with EPS-pearls, both with a zipper.
